

## BRIGHTSTAR KENNELS HEALTH GUARANTEE

### **BUYERS AGREE TO THE FOLLOWING CONDITIONS OF SALE:**

To keep the guarantee offered to you in force, you must have your puppy examined by a licensed veterinarian of your choice **NO LATER THAN THREE (3) BUSINESS DAYS** from the date of purchase. During your initial exam should your veterinarian find the puppy to be a poor health risk or detect any physical problem that would require further veterinary care other than the required vaccinations and/or treatment for any type of parasite or bacteria, internal or external, **YOU MUST CONTACT US WITHIN 36 HOURS**. A diagnosis of coccidiosis, giardia, parasites, or any other type of bacterial infection does not render your puppy unhealthy. Your guarantee does not cover the above mentioned conditions or non life-threatening or temporary disorders, such as: hypoglycemia, uneven bites, undescended testicles, cherry eyes, inguinal or umbilical hernias, or patellar dislocations. No veterinarian fee charged for the initial exam or for any other veterinary services will be paid for by the seller. If you neglect to take your puppy to a veterinarian for this examination, or to complete any necessary vaccinations, you will accept immediate and full responsibility for its health. A puppy care packet has been provided. Failure to follow proper care instructions or transferring of puppy does result in nullification of this contract.

Your puppy is also guaranteed for a full seven (7) days from date of purchase against parvo, distemper and hepatitis. In the event your puppy should contract any of the above, you must **NOTIFY US IMMEDIATELY**. The puppy and all related registration paperwork must be **RETURNED** to seller accompanied by a legibly written and signed veterinarian report, a complete history, a laboratory report, and/or pathology report from a licensed laboratory. If your puppy is diagnosed with PARVO, an IGG and IGM blood Antibody Titer Test must be done, with the results furnished to us. We will replace your puppy with the first available puppy of equal quality; however, **NO PART OF THE PURCHASE PRICE WILL BE REFUNDED**. Full credit of the purchase price can be applied toward the purchase of another quality puppy. In addition, your puppy may be returned should it develop a major congenital defect within the first year. Defects that can be attributable to other than congenital causes are not covered. **AT NO TIME WILL PUPPY BE REPLACED WITHOUT SAID PUPPY BEING RETURNED TO SELLER.**

There is no guarantee of the ability to breed, show quality, size, coat quality, temperament or adaptability. We encourage you to spay or neuter your pet. Buyer has read and understands the guarantee and acknowledges that **NO CASH REFUNDED, IN PART OR IN FULL, WILL BE REFUNDED, NOR WILL THE SELLER BE RESPONSIBLE FOR ANY VETERINARY EXPENSES, OR ANY OTHER EXPENSES INCURRED BY THE PURCHASER**. Any veterinarian's diagnosis shall be subject to confirmation by a veterinarian chosen by the seller. Should this veterinarian not concur with the diagnosis, the matter shall be presented to a third veterinarian mutually agreed upon by the seller and buyer.

**BUYERS SIGNATURE INDICATES FULL AGREEMENT AND APPROVAL OF ALL CONTRACT CONDITIONS AND TERMS.**
